

Kyoto Institute of Technology

| Academic Fields | School of Science and Technology | | Graduate School of Science and Technology | |
|-------------------------------|----------------------------------|---|---|---------------------|
| | | | Master's Programs | Doctoral Programs |
| Applied Biology | Applied Biology | Regional Revitalization Tech Program (Tech Program) | Applied Biology | Biotechnology |
| Materials Science | Applied Chemistry | | Innovative Materials | Materials Chemistry |
| | | | Material's Properties Control | |
| | | | Materials Synthesis | |
| | | | Functional Chemistry | |
| Engineering Design | Electronics | | Electronics | Electronics |
| | Information Science | | Information Science | Engineering Design |
| | Mechanical Engineering | | Mechanophysics | |
| Design | Design and Architecture | | Mechanodesign | Design |
| | | | Design | |
| | | Architecture | Architecture | |
| Fiber Science and Engineering | | Kyoto Institute of Technology and Chiang Mai University Joint Master's Degree Program in Architecture | | |
| | | Advanced Fibro-Science | Advanced Fibro-Science | |
| Arts and Sciences | | Biobased Materials Science | Biobased Materials Science | |
| | | Languages, mathematics, physics and humanities subjects | | |

| Teaching Staff Organization | |
|-----------------------------|--|
| Faculty | Applied Biology |
| | Materials Science and Engineering |
| | Molecular Chemistry and Engineering |
| | Electrical Engineering and Electronics |
| | Mechanical Engineering |
| | Information and Human Sciences |
| | Fiber Science and Engineering |
| | Design and Architecture |
| | Arts and Sciences |

| | | | | |
|--|-------------------------|---|---|--|
| Institute for the Promotion of University Strategy | Strategic Hubs | KYOTO Design Lab | Department of Drosophila Genomics and Genetic Resources | |
| | | Center for Top Global University Project | | |
| | | Center for Community Promotion | | Department of Bioresource Field Science |
| | | Advanced Insect Research Promotion Center | | Department of Insect Biomedical Research |
| | | Advanced Manufacturing and Textile Science Research | | Center for Manufacturing Technology |
| | | Research Strategy Promotion Center | | Center for Fiber and Textile Science |
| | Global Excellence staff | Future-Applied Conventional Technology Centre | | |

◆Center for Needs-Initiated Projects

| |
|--|
| Center for Lifetime Prediction |
| Center for Green Innovation |
| Center for Rubber Science and Technology |
| Urban Planing Research Center |

| | |
|---|---|
| Institute for Foundational Education and Research | University Library |
| | Museum and Archives |
| | Center for Information Science |
| | Center for Environmental Science |
| | Center for Instrumental Analysis |
| | Isotope Laboratory |
| | Educational Program Center |
| | Student Support Center |
| | Admission Center |
| | International Center |
| | Health Care Service Center |
| | Center for Accessibility and Communication Assistance |

Advanced Technology Center
