

June 1, 2021

Kyoto Institute of Technology

To those who plan to take any of the examinations below:

Graduate School of Science and Technology Master's Program:

General Entrance Examination (I)

Special Entrance Examination for Adults (Fall Admission)

Special Entrance Examination for International Students (Fall Admission)

Special Measures for students who have not been selected in the random selection process of the TOEIC Test for the General (I) and other Entrance Examinations

The Kyoto Institute of Technology Graduate School of Science and Technology Master's Program General Entrance Examination (I), the Special Entrance Examination for Adults (Fall Admission) and the Special Entrance Examination for International Students (Fall Admission) will take place on August 19 (Thu) and August 20 (Fri), 2021. At the time of application, the submission of the original TOEIC® Listening & Reading Official Score Certificate (hereinafter the Individual TOEIC Official Score Certificate) is required for any major except the Advanced Fibro-Science.

On the other hand, as applications for the TOEIC Test take place based on a random selection process, as per our communication of April 19th, we announced that in order to ensure examination opportunity, we would exceptionally recognize the Individual TOEIC Official Score Certificate of the 270th and the 271st TOEIC Test, to be held on June 20th (Sun).

However, it was later found out that there were some prospective test takers who had not been selected through the random selection process for the 270th and the 271st TOEIC Test; therefore, the following additional special measures will be implemented for those applicants.

<Persons subject to additional special measures>

Graduate School entrance examination candidates who applied for the 270th and the 271st TOEIC Test and were not selected through the random selection process (application for the following special measures is also possible for those who already have a valid TOEIC score according to the KIT Admission Requirements).

<Additional Special measures>

Kyoto Institute of Technology will provide an opportunity for applicants to take the TOEIC Listening & Reading Test special group examination (IP Test), and the score will be used for entrance examination evaluation. Note that if you have submitted a TOEIC Test score at the time of application, your evaluation will be based on the higher of your two scores (previously submitted and IP Test scores).

IP Test Examination date: July 4, 2021 (Sun)

Examination venue: Kyoto Institute of Technology Matsugasaki Campus

Examination fee: 3,460 JPY (includes the cost of sending the score report to the applicant)

Applicants will be notified of application fee payment method, arrival time, location, and test time at a later date.

Points of attention

- The Listening and Reading tests will be conducted in the same way as in the regular TOEIC Test.
- In order to take the examination, an entrance examination slip for the General Entrance Examination (I), the Special Entrance Examination for Adults (Fall Admission) or the Special Entrance Examination for International Students (Fall Admission) is required (the application period is from June 25 (Fri) to July 1 (Thu)).
- If you do not apply for one of the above entrance examinations, your application for additional special measures will be voided (you will not be able to take the IP Test).

<How to apply for additional special measures>

Those who apply for additional special measures should submit the following documents ① and ② to the following address by June 11 (Fri).

- ① Additional Special Measures Application Form (download and fill out the form from the Graduate School Admission's webpage).
- ② Documents verifying that you were not selected during the random selection process of the 270th and the 271st TOEIC Test (one of the a) or b) below).
 - a) A printout of the "Result Notification" e-mail, sent by the IIBC Test Administration Center.
 - b) A printout of the random selection result page on the TOEIC Test application website.

Note: If, due to extenuating circumstances, you are unable to submit either a) or b) above, please submit a "Statement of Reasons for Non-Submission". Download the form from the Graduate School Admissions page.

Even if you are applying for additional special measures, if you have the TOEIC Test score specified in the KIT Admission Requirements, you should submit your original TOEIC® Listening & Reading Official Score Certificate with the rest of the application documents within the application period (June 25 (Fri) to July 1 (Thu)).
