

Outline of Kyoto Institute of Technology International House (Marikoji Kaikan) Y2023

1. Purpose of the Hall

The International House (Marikoji Kaikan) was built in April of 1994 to contribute to the promotion of international exchange in education and academic research at Kyoto Institute of Technology and other national universities in the region, and to serve as a residence for international students and researchers. It was also approved for other purposes deemed meaningful in terms of international exchange.
