Organization April 1. 2025

## Kyoto Institute of Technology

Fields	School of Science and Tec	hnology	Graduate School of S Master's Programs	Doctoral
Applied	Applied Biology		Applied Biology	Biotechnology
Biology	S Applied Chemistry	-	Innovative Materials	Materials Chemistry
Materials Science			Material's Properties Control	
			Materials Synthesis	
			Functional Chemistry	
	Floring	Regional		
Design	Electronics	Regional Revitalization Tech Program (Tech Program)	Electronics	Engineering Design
	Information Science		Information Science	
	Mechanical Engineering		Mechanophysics	
	moonamou. Zhginoomig	-	Mechanodesign	
Design	Design and Architecture		Design	Design
			Architecture	
			Kyoto Institute of Technology and Chiang Mai University Joint Master's Degree Program in	Architecture
			Architecture	
Fiber			Advanced Fibro-Science	Advanced Fibro-Sci
Science and Engineering			Biobased Materials Science	Biobased Materials
Arts and	Langua	iges, math	I ematics, physics and humanitie	s subjects
Sciences				
	Academic Staff			
	Applied Biology			
	Materials Science and Engineering			
	Molecular Chemistry and Engineering			
	Electrical Engineering and Electronics			
Faculty	Mechanical Engineering			
	Information and Human Sciences			
	Fiber Science and Engineering			
	Design and Architecture			
	Arts and Sciences			
Res	search Collaboration	Reserch Colla	boration Office	
Center for Indu	stry-Academia-Government	Intellectual Pr	operty Strategy Office	
Collaboration				
		Recurrent Edi	ucation Promotion Office	
		KYOTO Desig	n Lab	
		Kyoto Lab for a Greener Future		
		Materials Innovation Lab		
	Strategic Hubs	Materials Inno	vation Lab	
Center for the I	Strategic Hubs Possible Futures	<u> </u>		
Center for the I		Center for So	cial and Biomedical Engineering	
Center for the I		Center for So	cial and Biomedical Engineering	
Center for the I		Center for So	cial and Biomedical Engineering	
Co	Possible Futures	Center for So	cial and Biomedical Engineering	
Co	Possible Futures	Center for So	cial and Biomedical Engineering	
Co Center for Com	Possible Futures  mmunity Outreach munity Promotion  ICT Oversight	Center for So Center for Fit High-Perform	cial and Biomedical Engineering er and Textile Science ance Simulation Research Center	
Co Center for Com	Possible Futures  mmunity Outreach  munity Promotion	Center for So Center for Fit High-Perform	cial and Biomedical Engineering	
Co Center for Com	Possible Futures  community Outreach community Promotion  ICT Oversight and Coordination  University Library	Center for So Center for Fit High-Perform	cial and Biomedical Engineering er and Textile Science ance Simulation Research Center	
Conter for Com	Possible Futures  community Outreach community Promotion  ICT Oversight and Coordination  University Library  Museum and Archives	Center for So Center for Fit High-Perform	cial and Biomedical Engineering er and Textile Science ance Simulation Research Center
