

Instructions Manual for the Internet Application System

International Graduate Program, Kyoto Institute of Technology

This is the instructions manual for IGP.

The Internet Application System is based on the regular admission process, which is in the Japanese language. For that reason, some information and instructions are written in Japanese and may not be applicable to you.

In this manual, we explain how you can enter your information to this system, pay the application fee and apply the IGP program.

If you happen to face any problems or receive an error message, please contact us attaching a screenshot of the error page.

Thank you for your understanding and cooperation.

留意事項を確認してください

以下の留意事項をよく読んで、出願手続きを行ってください。

1. Be sure to check the guidelines for student application. You cannot apply if you do not meet the eligibility requirements.
2. After completing the registration at the internet application website, the process will be completed only after paying the examination fee and posting the application documents.
3. Application registration can take place from 0 o'clock on the application start date until 23:59 on the final application day.
However, payment of the examination fee and posting of the application documents is valid until the deadline of the application period (business hours vary depending on the convenience store and post office).
Please be sure to complete the registration as soon as possible within the application period, and make the payment and posting of the application documents promptly.
4. Applications after the application period, by reason of operational errors during use of the internet application website, or by reason of poor internet connection etc., will not be accepted.
5. The registered information cannot be changed after payment of the examination fee.
6. In principle, examination and other fees, as well as application documents will not be returned, once received.
7. Be sure to keep the e-mail notifying reception of your payment until the entrance examinations are over.
8. Print the examination ticket from the internet application website and bring it with you on the examination day.
9. These notes are subject to change without prior notice.

☒ I agree with the above.
