京都工芸繊維大学　国際交流会館　“まりこうじ会館”
The International House “MARIKOJI KAIKAN”

Summary

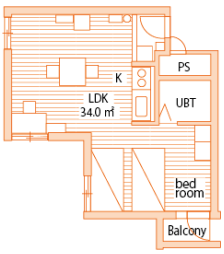

The International House (Marikoji Kaikan) was built in April 1994 to promote international academic exchange at Kyoto Institute of Technology and regional national universities. This housing for international students and researchers is also open to persons who can significantly contribute to international exchange. We would like you to understand that compared with other accommodations, the rent and fees are reasonable because the building and facilities are now over 30 years old.
