授業の目的・概要 Objectives and Outline of the Course	
日	<p>This class has three main goals:</p> <ol style="list-style-type: none"> 1. Enhance academic discussion skills 2. Improve university-level English reading & listening 3. Acquisition of academic level vocabulary in context
英	<p>Battlestar Galactica: A Media Studies Approach to studying Society, Technology, & War</p> <p>This class will focus on academic discussion of serious contemporary issues connected to issues of technology, war and public policy. Of particular focus will be: just war theory, racism, and philosophical questions about what it means to be "human". Students will practice making verbal arguments, taking a point of view and explaining your reasoning. You will also have to give one presentation at the end of the semester on a topic of your choice. Topics & issues will come from watching the first season of the American TV drama, Battlestar Galactica.</p> <p>The focus of this class is academic communication, so listening (to the drama & other students) and speaking are emphasized; but other English skills will also be used: writing (discussion preparation, short essays), reading (scripts and related articles), and vocabulary (from episode scripts) will also be important.</p>

履修条件 Prerequisite(s)	
日	None
英	This class is aimed at students who have a TOEIC score of 630 or higher, but it is NOT limited to those students. Highly motivated intermediate level students are also welcome.

授業時間外学習（予習・復習等） Required study time, Preparation and review	
日	
英	Grades will be given based on your individual efforts in this class. This is NOT a TV watching class! We use the drama to stimulate thought & discussion on important issues of our day. You must participate in discussions, take vocab quizzes and demonstrate effort. As long as you attend class, participate actively, and show signs of improvement over the semester, you will receive a passing grade. However, to receive a grade above 80%, you must really show that you have improved a lot and are on the way towards mastering academic discussion techniques.

教科書／参考書 Textbooks/Reference Books	
日	
英	No textbooks required. Teacher will provide materials at the beginning of the course. The class will use KIT Moodle a lot for access to materials.

成績評価の方法及び基準 Grading Policy	
日	
英	45% Graded Discussions 21% Vocabulary Quizzes 10% In-class participation 14% Homework (discussion prep, commentaries, essay) 10% Final Project (Short Essay)
