授業の目的・概要 Objectives and Outline of the Course	
日	The objective of this course is to practise their listening and speaking skills and to improve their presentation skills. The central focus of each unit of the book is an academic talk introducing interesting and factual contents to the students. There is then an opportunity for students to engage in a speaking task on the same topic before they give a final presentation.
英	

学習の到達目標 Learning Objectives	
日	To improve their listening and speaking skills. To improve their presentation skills. To learn a range of new knowledge concerning various topics with an international emphasise.emphasis. To become familiar with a range of international accents.
