授業の目的・概要 Objectives and Outline of the Course	
日	
英	<p>Instructor contact: X0000752@kit.ac.jp Any email contact is for emergency only; regular contact is to be made in class. Any email contact must be made in English & include student name & number & class name.</p> <p>This class is designed to give students skills in understanding and critically analyzing reading passages on some of the most important global issues today. Each week students will do reading and listening exercises to build vocabulary to be able to discuss their opinions on a wide variety of global issues. These include: climate change, sustainable energy, poverty, gender issues, refugees, vegetarianism, plastics waste, pandemics, partnerships.</p> <p>Each week text exercises will be done in class, and independent student Internet research on text themes will supplement this. At the end of each unit students will give a report on their research and opinions about this theme</p>

学習の到達目標 Learning Objectives	
日	
英	<p>By the end of this course, students will be able to speak with accuracy and confidence on various topics concerning most important current global issues. Students will achieve this goal by doing text readings, listening and vocabulary exercises, and doing</p>
