履修	条件 Prerequisite(s)
日	
英	None

授業	授業時間外学習(予習・復習等)		
Requ	Required study time, Preparation and review		
日			
英	KIT requires 45 hours of study per credit, including both in-class instruction and independent study. Students are expected		
	to:		
	1) prepare for each class by reviewing assigned readings or materials		

- 2) actively engage in class activities and complete all assignments
- 3) reflect on and review class content to consolidate learning

Feedback and support will be provided to help students achieve their goals

This text will be used in all classes & must be brought to class each week

allow for more depth & progression in their work

# 数科書/参考書 Textbooks/Reference Books 日 英 Living as Global Citizens: An Introduction to the Sustainable Development Goals by Kazuya Oseki & Kevin M. McManus Nan'un-Do ISBN: 9784523179313

# 成績評価の方法及び基準 Grading Policy 英 Classwork Evaluation: 80% Includes active participation in all class activities, presentations, assignments Students are required to positively engage in pair & group discussions in order to actively present their opinions in each class as whole-class discussions & in group presentations E-learning: 20% Based on Academic Express 3: learning assignments will be given weekly after Golden Week until the end of semester. Weekly assignment handouts will be distributed in class before Golden Week. To do the e-learning assignments, students will have to log in to the home page for KIT students. Student support for e-learning available at: chieft@kit.ac.jp Grades will be based on: 1. E-learning (20%) 2. Active Participation in all class activities & submission of all homework assignments by deadlines indicated (40%) 3. Mid-term group presentations on text-related topics of students' choice related to student majors (20&) 4. Final assignment: second student presentations / reports on text-related topics related to students' major (20%) Students are expected to use all class & mid-term activities as a foundation to develop their final assignments, in order to

留意	留意事項等 Point to consider		
日			
英	NOTES:		
	* Students who miss four or more classes will fail the course		
	* A cumulative score of 60% or higher is required to pass the course		
	* The use of generative AI or any other translation software for composition & submission of reports is strictly forbidden &		

will

result in a failing grade for the assignment
