授業の目的・概要 Objectives and Outline of the Course	
日	
英	Unit 8 focuses on how you communicate and showcase yourself, your skillset and your work and is conducted as a series of workshops, seminars and tutorials. Although this is likely an individual journey, it remains a collaborative experience. You will showcase your Major Project through a written case study (or similar) and will explore different ways of communicating who you are and what you do. You will also be supported in applications for grants, funding, incubation, employment etc.
