英	This course emphasizes the interactive use of English. The four skills of reading, writing, listening and speaking will be covered with an emphasis on speaking and writing. The lecture topics will vary depending on the instructor. The content and order in which the topics listed below are covered will also depend on the instructor.

学習の到達目標 Learning Objectives	
日	Students should improve their oral communication skills and written skills and try to express themselves actively.
英	Students should improve their oral communication skills and written skills and try to express themselves actively. Students will practice expressing their opinions in both speech and in writing. Students will learn the basics of writing English paragraphs and essays. They will practice spoken communication in pairs or small groups, and also formal speeches.

学習目標の達成度の評価基準 / Fulfillment of Course Goals (JABEE 関連科目のみ)	
日	
英	

授業計画項目 Course Plan			
No.		項目 Topics	内容 Content
1	日	Orientation	Explain course goals, classroom rules and procedures for grading. Students prepare a short speech.
	英		
2	日	Extensive reading, Paragraphs, Expressing Opinions	Students will be introduced to the Extensive Reading Programme choose a book to read and read it before the next class. Students will begin to study English paragraphs, with a focus on topic sentences. Students will practice identifying and sharing their
	英		
3	日	Extensive reading Quiz 1	Students will take a quiz on the book they have read. Students will continue their study of paragraphs, focusing on supporting and concluding sentences. Students will practice how to agree or disagree politely in English
	英		
4	日	Bloom's Taxonomy, Summarizing, and Chat GPT	A special class: students will learn about Bloom's Taxonomy and Cornell Notes. They will create summaries of what they have read, and will reflect on the importance of doing such work for themselves, instead of entrusting it to generative AI. Students will
	英		
5	日	Paragraph Review; Public Speaking	Students will review what they have learned about paragraph writing, and will also begin to prepare their first speech presentation.
	英		
6	日	Writing Assignment 1 - In class	Students will have their first writing assessment. This will be done in class, without the use of devices. Students will then have time to practice their speeches.
	英		
7	日	Speech Presentations	Students will present their first informative speeches.
	英		
8	日	Essay Structure and Poster Presentation Preparation - 1	Students will learn the basics of Essay structure. Students will be introduced to the Poster Presentation assignment, and will make groups to begin their preparations.
	英		
9	日	Essay Structure and Poster Presentation Preparation - 2	Students will continue to learn the basics of Essay structure, and will continue to work on their poster presentations. Students will also spend some time reviewing the speaking skills of sharing their opinions, and agreeing & disagreeing.
	英		
10	日	Poster Presentation Preparation - 3	Students will receive feedback on the draft of their posters, and will practice their presentations.
	英		
11	日	Poster Presentation Day 1	Half of the class will give their poster presentations.
	英		
12	日	Poster Presentation Day 2	The second half of the class will give their poster presentations.
	英		
13	日	Speaking Test Preparation, Final Exam Details	Students will review the speaking skills explored in the course and prepare for their individual speaking test. Information about the final exam, and some possible topics, will also be provided.
	英		
14	日	Speaking Test, Day 1	Students will have their individual speaking tests.
	英		
15	日	Speaking Test, Day 2	Students will have their individual speaking tests.
	英		

履修条件 Prerequisite(s)	
日	
英	None.

授業時間外学習（予習・復習等） Required study time, Preparation and review	
日	
英	<p>Note that the M-Reader Extensive Reading practice requires students to read English books outside of class. Students who fail to keep up with M-Reader frequently fail Interactive English. Please get started early, and read at least one book per week.</p> <p>Please note that KIT requires 45 hours of study from students to award one credit, including both in-class instructions as well as study outside classes. Students are required to prepare for each class and complete the review after each class.</p> <p>The teacher will provide individual instructions.</p>

教科書／参考書 Textbooks/Reference Books	
日	The course materials and the actual topics covered in class will be decided and announced by the instructor.
英	There will be no textbook in use. Students will receive material via Moodle.

成績評価の方法及び基準 Grading Policy	
日	<p>Grades will be based on student participation, oral presentations, tests, homework, Extensive Reading, and a speaking test, which is 10%.</p> <p>Extensive Reading will form 20% of the final grade.</p> <p>Weekly attendance is expected. Students who miss four or more</p>
英	<p>Grades will be based on student participation, oral presentations, tests, homework, Extensive Reading, and a speaking test, which is 10%.</p> <p>Extensive Reading will form 20% of the final grade.</p> <p>Weekly attendance is expected. Students who miss four or more classes will fail the course.</p> <p>Students need a cumulative score of 60 or higher to pass the course. However, students absent four or more times are ineligible to take the final exam or make-up test.</p>

留意事項等 Point to consider	
日	The teacher may use role-play, group work, and various other methods in the classroom.
英	<p>The course is in English, and students are expected to communicate in English. As this is an interactive class, full attendance and participation are expected. The syllabus is subject to change and revision according to the needs and abilities of the students and situational constraints.</p> <p>You may need to bring your computers. Please check with your teacher.</p>
